

# Nina Nastasia, This Is What It Is

This is what it is  
You don't need to rest  
Sit around the clock  
Forget your head  
It's always there  
It's full of air

This is how it is  
I don't need so much  
I got perfect pitch  
I am clear  
It's always there  
I'm full of air

Take it out  
Start again  
Close it up  
Be the one  
You're beautiful  
I couldn't take a bigger bite of you

This is what it is  
I know you forget  
Go ahead and wait  
Lose your head  
It's always there  
It's full of air

This is what it is  
Take it out  
Start again  
Close it up  
Be the one  
You're beautiful  
I couldn't take a bigger bite of it

This is where it goes  
I cannot pretend  
Get across the fence  
Don't you try and win  
It's always there  
It's full of air
