

Nina Nastasia, This Is What It Is

This is what it is
You don't need to rest
Sit around the clock
Forget your head
It's always there
It's full of air

This is how it is
I don't need so much
I got perfect pitch
I am clear
It's always there
I'm full of air

Take it out
Start again
Close it up
Be the one
You're beautiful
I couldn't take a bigger bite of you

This is what it is
I know you forget
Go ahead and wait
Lose your head
It's always there
It's full of air

This is what it is
Take it out
Start again
Close it up
Be the one
You're beautiful
I couldn't take a bigger bite of it

This is where it goes
I cannot pretend
Get across the fence
Don't you try and win
It's always there
It's full of air
