

Nina Nesbitt, I Should Be A Bird

i've been trying to find the right time
to tell you everything on my mind
but i'm still trying to find the right time
and I know you're going through hard things
so I'm giving everything to fix things
but I'm tryna figure where to draw the line

sometimes you talk got me thinking that you hate me
still love you but some days i'm kinda suffocating
I don't wanna see
I don't wanna see you down
but

how am I supposed to carry the weight of your love when it gets this heavy?

I should be a bird

but I don't really feel like flying

cause my wings are hurt

yeah I'm tired of trying

I feel like I'm living for the days when

I think that I'm finally seeing changes

And there ain't nothing more amazing

sometimes I wonder are we flying round in circles?

I'm in the sky but you're bringing me back down low

but I don't wanna come down

I wanna lift you back up

how am I supposed to carry the weight of your love when it gets this heavy?

I should be a bird

but I don't really feel like flying

cause my wings are hurt

yeah I'm tired of trying

should I stay? should I go?

how long is it gonna be this way I just really wanna know

am I afraid to let you know

cause I don't wanna be the one to hurt you while you're hurting the most

how am I supposed to carry the weight of your love when it gets this heavy?

I should be a bird

but I don't really feel like flying

yeah I'm tired of the trying

oh tell me

how am I supposed to carry the weight of your love when it gets this heavy?

I should be a bird

but I don't really feel like flying

cause my wings are hurt

yeah I'm tired of trying

I should be a bird

I should be a bird
