

Nina Nesbitt, No Time (For My Life To Suck)

true love
no tears
big dreams
no fears
champagne
crystal clear
sunkissed
dirty hair
old friends
no snakes
real bags
no fakes
mmm

lately i've been a little sad bitch
I guess it's something that just happens
when you let in all of the darkness

so, if they kill my vibe
then I cut them out my life
took me by surprise
cause my life's so good, so good, so good
oh f*ck (mmm)
and I got no time now
for my life to suck (mmm)
yeah I got no time now for my life to suck

no stupid games
bad guys
falling for
white lies
I want
sneaker shoes
clear skin
and pretty views
good sex
love for life
and i'd choose u
i'd choose u

lately i've been a little sad bitch
I guess it's something that just happens
when you let in all of the darkness
it's one of my favourite habits

so, if they kill my vibe
then I cut them out my life
took me by surprise
cause my life's so good, so good, so good
oh f*ck (mmm)
and I got no time now
for my life to suck (mmm)
yeah I got no time now for my life to suck

oooooh
mmmm
oooooh
my life to suck
oooooh
cause I got no time now for my life to suck
if they make me cry
if they drag me down
then I tell 'em all goodbye
cause I got no time now for my life to suck

if they make me sad
fill me up with doubts
then I tell 'em all goodbye
cause I got no time now for my life to suck
