

Nina Simone, For A While

Lost in day to day
turned another way
with a laugh, a kind hello
some small talk with those I know
I forget that I'm not over you
for a while

A wave an easy grin
a smile to put them in
with other lives to listen to
and some work I've got to do
I forget that I'm not over you
for a while

Days go by with no empty feeling
until I remember you're gone
People say to me, you need company
when you have some time to spend
drop around and meet a friend
they forget that I'm not over you
for a while
they forget that I'm not over you
for a while
