

Nina Simone, I Want Some Sugar In My Bowl

I want some sugar in my bowl
I want a little sweetness
down in my soul
I could stand some lovin' Oh so bad
Feel so lonely and I feel so sad
I want a little steam on my clothes
Maybe I could fix things up so they'll go
Whatsa matter Daddy
Come on, save my soul
Drop a little sugar in my bowl
I ain't foolin'
Drop a little sugar in my bowl
Well I want a little sugar in my bowl
Well I want a little sweetness down in my soul
You been acting strangely I've been told
Move me daddy
I want some sugar in my bowl
I want a little steam on my clothes
Maybe I can fix things up so they'll go
Whatsa matter Daddy
Come on save my soul
Drop a little sugar in my bowl
I ain't foolin'
Drop some sugar- yeah- in my bowl.
