

Nina Simone, If He Changed My Name

Macgimsey

I told Jesus it would be alright if He changed my name
I told Jesus it would be alright if He changed my name
I told Jesus it would be alright if He changed my name
And He told me that I would go hungry if He changed my name
And He told me that I would go hungry if He changed my name
And He told me that I would go hungry if He changed my name
But I told Jesus it would be alright if He changed my name
I told Jesus it would be alright if He changed my name
So I told Him it would be alright and the world would hate me
That I would go hungry if He changed my name
