

Nina Simone, In The Morning

In the Morning

In the morning when the moon is at it's rest,
you will see me at the time I love the best
watching rainbows play on sunlight;
pools of water iced from cold night, in the morning.

'Tis the morning of my life.

In the daytime I will meet you as before.

You will find me waiting by the ocean floor,
building castles in the shifting sands
in a world that no one understands,
In the morning.

'Tis the morning of my life,

In the morning of my life the
minutes take so long to drift away

Please be patient with your life

It's only morning and you're still to live your day

In the ev'ning I will fly you to the moon

To the top right hand corner of
the ceiling in my room

Where w'll stay until the sun shines

Another day to swing on clothe's lines

May I be yawning

It is the morning of my life

It is the morning of my life

In the morning

In the morning

In the morning
