

Nina Simone, Just In Time

(1960) Jule Styne, Adolph Green, Betty Comden

Let's go

Just in time you found me just in time

Before you came my time was running low

I was lost then losing dice were tossed

My bridges all were crossed nowhere to go

Now you're here now I know just where I'm going

No more doubt or fear I've found my way

Your love came just in time you found me just in time

And changed my lonely nights that lucky day

Just in time

Before you came my time was running low oh baby

I was lost then losing dice were tossed

My bridges all were crossed nowhere to go

Now you're here now I know just where I'm going

No more doubt or fear I've found my way

Your love came just in time you've found me just in time

And changed my lonely nights and changed my lonely nights

And changed my lonely nights and changed my lonely nights

And changed my lonely nights that lucky day
