

# Nina Simone, New World Coming

There's a new world commin'  
And it's just around the bend  
There's a brand new mornin'  
That belongs to you and me  
A new world commin'  
The one we had vision of  
And its commin' in peace  
Is commin in joy  
and commin in love...yea...yea...yea  
There's a new world commin'  
And its just around the bend  
There's a new day dawning  
the one that's for you and me  
A new world commin'  
The one we've had vision of  
and its commin in peace  
commin' in love  
Commin' in peace  
Commin' in joy  
and commin in peace  
commin' in joy  
And commin in love  
And I saw another sign in Heaven  
Great and marvelous  
Seven angels having the seven last plagues  
for in them is filled up the Wrath of God  
And I saw as it were a sea of glass mingled with fire  
And them that had gotten the victory over the beast  
And over his image  
and over his mark  
and over his name,  
stand on the sea of glass  
with the harps of God all around them.  
There's a new world commin'  
and its just around the bend  
There's a new day dawning
