

# Nina Simone, Nobody

When life seems full of clouds and rain  
I am filled with an awkward pain  
Who soothes my achin', thumpin' brain?  
- Nobody

When winter comes with snow and sleet  
I'm so tired with cold feet  
Who says: "Here's two bits Nina honey, go and eat?"  
- Nobody

I ain't never done nothin' to nobody  
I ain't never got nothin' from nobody, no time  
And until I get me somethin', yes, from somebody, sometime  
Well, I don't intend to do nothin'  
For no body, no time

Now when winter comes all cool and clear  
My friends they see me comin' near  
Who says: "Come on in child and have a beer?"  
- Nobody

When all day long things go amiss  
I go home to find some bliss  
Who hands to me a glowing kiss?  
- Nobody

I ain't never done nothin' to nobody  
I ain't never got nothin' from no body - no time  
And until I get me somethin', from somebody, sometime  
I don't intend to do nothin'  
For no body, nobody, no time, no time, no body, no time!
