

Nina Simone, That's All I Want From You

(1955) M. Rotha (pseud. of Fritz Rotter)

grows and grows

to the skies

dies

me that you care

also get your share

no time to wait

when dreamers dream too late

grows and grows

to the skies

me that you care

also get your share

no time to wait

when dreamers dream too late

grows and grows

A little love that slowly

Not one that comes and goes
That's all I want from you
A sunny day with hopes up

Not a day that comes and

That's all I want from you
Don't let me down, oh show

Remember when you give, you

Don't let me down, I have

Tomorrow might not come,

A little love that slowly

Not one that comes and goes
That's all I want from you
A sunny day with hopes up

Not one that comes and dies
That's all I want from you
Don't let me down, oh show

Remember when you give, you

Don't let me down, I have

Tomorrow might not come,

A little love that slowly

Not one that comes and goes
That's all I want from you
