

# Nina Simone, The Gal From Joes

Way down at Mister Joe's Cafe  
They're takin' someone far away  
And if you hear a song today  
It's a sad tune that you'll be playin':  
She's leavin' and folks are feelin' so low  
They're grievin' and they're consolin' poor Joe

Gonna miss her song  
Gonna miss her smile  
She'll be travlin' alone down  
that last long mile  
They're sighin'  
With all thei trouble and woes  
They're Cryin' 'cause they all loved  
The gal from Joe's.
