

# Nina Sky, Goodbye (Interlude)

I'm writin this letter to  
Let you know that i'll  
Be leavin tomorrow  
Didnt want to go  
But ya pushed me to this point  
I dont know what to do  
I figured the first step was to let you know were through  
I'll be gone by mornin time  
Wont ask you if you care  
You never showed you did  
And you were never there, never there  
I'm takin all my things  
Oh yeah threw yours away  
Dont say a word or try and write me back  
I dont wanna be with you  
Listen to the guitar play  
Ohhh goodbye  
Goodbye ohhhh
