[Verse 1: Nina Sky]

Step up in the party, boy

I can see you callin' cuz your eyes are on my body and it shows

(Tellin' me to come your way)

I know that you want it, I can dance for me to flaunt it

You want me to show you what's under my clothes (my clothes)

[Bridge:]

Everytime you come around

[Ivy Queen:] Vienes a mi

Boy, I can't control it

Oh, don't wanna move fast slow down now, I know you wanna see

[Ivy Queen:] Tu quieres ver

How far I'm gonna take it, you must be mistaken, I don't want no...

[Ivy Queen:]

Papi no te creas que con ti voy a bailar, es la noche Buena pa' mujeres disfrutar, Nina Sky, Ivy Queen

[Verse 2: Nina Sky]

Now I'm feeling hot and bothered

Making me feel like I want you

But I know this can't go down here tonight

Cuz we just came here to party, not to stay out with nobody

I'm not leaving here with you up on my side

[Bridge:]

Everytime you come around

[Ivy Queen:] Vienes a mi

Boy, I can't control it

Oh, don't wanna move fast slow down now, I know you wanna see

[Ivy Queen:] Tu quieres ver

How far I'm gonna take it, you must be mistaken, I don't want no...

[Ivy Queen:]

Papi no te creas que con ti voy a bailar, es la noche Buena pa' mujeres disfrutar, Nina Sky, Ivy Queen

[Verse 3: Ivy Queen]

A ti te gusta cuando bailo, cuando lo canto, oye mi coro, hoy te quedas solo

Entro al party baby, quiero bailar, la noche de mujeres, y se hizo pa' gozar

My cuerpo a ti te provoca, pero yo quiero bailar, y cuando escuchas mi canto, en mi siempre pensó

[Nina Sky:]

It's ladies' night, let's get it started, come on, girls move your body, fast, or shake it slow

[Bridge:]

Everytime you come around

[Ivy Queen:] Vienes a mi

Boy, I can't control it

Oh, don't wanna move fast slow down now, I know you wanna see

[Ivy Queen:] Tu quieres ver

How far I'm gonna take it, you must be mistaken, I don't want no...

[Ivy Queen:]

Papi no te creas que con ti voy a bailar, es la noche Buena pa' mujeres disfrutar, Nina Sky, Ivy Queen
[Ivy Queen:]
