

Nina Sky, Turnin' Me On

[Talking]

Have you ever seen someone
that you thought was so sexy
and even though you had a man
He was still turnin you on

[Verse 1]

Move the feelin right
and I see you standin there
Not an ordinary night
Feeling lust is in the air (hey)
Way your body looks
its turnin me on
they way you lick your lips slow
makes me want you even more

[Chorus]

Whoooooah oh oh oh oh
Your turnin me on
Whoooooah oh oh oh oh
Your turnin me on
If so attracted
could this be wrong
to feel this way
and come on so strong
wont take my time
cause u might be gone
don't know your name
but your turnin me on
Whoooooah oh oh oh oh
Your turnin me on
Whoooooah oh oh oh oh
Your turnin me on

[Verse 2]

All alone tonight
and i left my man at home
I can't
get you out my site
I know
this feeling is so wrong (hey)
I wanna approach you
let you know how i feel
wanna do more to
try to seal this deal

[Chorus]

Whoooooah oh oh oh oh
Your turnin me on
Whoooooah oh oh oh oh
Your turnin me on
If so attracted
could this be wrong
to feel this way
and come on so strong
wont take my time
cause u might be gone
don't know your name
but your turnin me on
Whoooooah oh oh oh oh
Your turnin me on
Whoooooah oh oh oh oh
Your turnin me on

[Verse 3]

End of the night
can i
wait for you outside
we can
end this evening right
we can
kick it on the side
I need to experience
what you can do
we'll have a private party
for just me and you

[Chorus]

Whoooooah oh oh oh oh
Your turnin me on
Whoooooah oh oh oh oh
Your turnin me on
If so attracted
could this be wrong
to feel this way
and come on so strong
wont take my time
cause u might be gone
don't know your name
but your turnin me on
Whoooooah oh oh oh oh
Your turnin me on
Whoooooah oh oh oh oh
Your turnin me on

[Verse 4]

First time I ever been so
attracted to a stranger
dont know if this is wrong but
dont mind if in a danger
you caught my eye
minute that i saw you
knowin that a may wanna get to know you
can i get your name
makin me say (your turnin me on)
