

Nina, The Reason Is You(Transformer Mix)

The reason is you..

The reason is you..

This train is riding slow
And that train never will
One is always heading for the sea
And the other wants to ride the hill
Both trains were our trains
All of our life, together
Now you say that you don't wanna ride no more
On my train

Dam dam du dee du du
I know I will lose you
Dam dam du dee du du
The reason is you
Dam dam du dee du du
Why do I lose you
Dam dam du dee du du
The reason is you
The reason is you..

The reason is you..

My train is pink and brown
Colors you never liked
How could you have fallen in love with me
When there was so much more
You never liked
My train was our train
Oh look that life together
Now you say that you don't wanna ride no more
On my train

Dam dam du dee du du
I know I will lose you
Dam dam du dee du du
The reason is you
Dam dam du dee du du
Why do I lose you
Dam dam du dee du du
The reason is you
The reason is you..

The reason is you..

The reason is you...

Both trains were our trains
All of our life, together
Now you say that you don't wanna ride no more
On my train

Dam dam du dee du du
I know I will lose you
Dam dam du dee du du
The reason is you
Dam dam du dee du du
