Nine Black Alps, Idiot Riff #9

You know what
You know what
You know what I need

You can't say
You won't stay
You won't wait for me

You know how
You know how
You know how I tried

But sometimes
Sometimes
I just wanna die

I am already gone
You're still pretty dumb
And I'm so fucking wrong

You work hard
You work hard
You work hard I see

You play fair
You play fair
You play fair for me

You walked out
You walked out
You walked out I know

But sometimes
Sometimes
You just have to fall

I am already gone
You're still playing dumb
And I'm so fucking wrong

I am already gone
You're still playing dumb
And I'm so fucking wrong
