

# Nine Black Alps, Southern Cross

This southern cross is full of holes  
Frozen and over  
another shark that never shows  
right until its everywhere  
I tried to make it  
I tried to make it alright,  
Alright

So what do i do-oo-oo-oo-oo-oo  
Yeah what do i do-oo-oo-oo-oo-oo  
Oh yeah yeah

You should of said, you should of known  
Known you'd go nowhere  
Another friend that never shows  
Right when you need them more,  
Than I could ever  
And ever made it alright,  
Alright

So what do i do-oo-oo-oo-oo-oo  
Yeah what do i do-oo-oo-oo-oo-oo  
Oh yeah yeah

And i tried to make it  
I tried to make it alright,  
Alright

So what do i do-oo-oo-oo-oo-oo  
Yeah what do i do-oo-oo-oo-oo-oo  
Oh yeah yeah  
Oh yeah yeah
