

Nine Days, I Love You (Cover of Climax Blues Band)

When I was younger man I hadn't a care
Foolin' around, hitting the town, growing my hair
You came along and stole my heart when you entered my life
Ooh girl you got what it takes wanna make you my wife

Since then I never looked back
It's almost like living a dream
And ooh I love you

You came along from far away and found me here
I was playin' around, feeling down, hittin' the beer
You picked me up from off the floor and gave me a smile
You said you're much too young, your life ain't begun, let's walk for awhile

And as my head was spinnin' 'round
I gazed into your eyes
Ooh I want you

Thank you girl for being a friend
And shinin' your light in my life
'cause ooh I need you

As my head was comin' round
I gazed into your eyes
And thought ooh I want you

Thanks again for being my friend
And straightenin' out my life
'cause ooh I need you

Since then I never looked back
It's almost like livin' a dream
Ooh I got you

If ever a man had it all
It would have to be me
And ooh I love you
