## Nine Inch Nails, Physical you're so

| I wanna date you maybe i wanna tak | e and dine you oh, i wa | anna twist and twi |
|------------------------------------|-------------------------|--------------------|
|                                    |                         |                    |
|                                    |                         |                    |
|                                    |                         |                    |
|                                    |                         |                    |
|                                    |                         |                    |
|                                    |                         |                    |
|                                    |                         |                    |
|                                    |                         |                    |
|                                    |                         |                    |
|                                    |                         |                    |
|                                    |                         |                    |
|                                    |                         |                    |
|                                    |                         |                    |
|                                    |                         |                    |
|                                    |                         |                    |
|                                    |                         |                    |
|                                    |                         |                    |
|                                    |                         |                    |
|                                    |                         |                    |
|                                    |                         |                    |
|                                    |                         |                    |
