Nine Inch Nails, Sanctified

It's still getting worse after everything I've tried. What if I found a way to wash it all aside. What if she touches with those fingertips, As the words spill out like fire from her lips?

[Chorus:]

And if she says come inside I'll come inside for her. If she says give it all I'll give everything to her. I am justified. I am purified. I am sanctified. Inside you

Heaven's just a rumor she'll dispel. As she walks me through the nicest parts of hell. I still dream of lips I never should have kissed. Well she knows exactly what I can't resist

[Chorus]

I'm still caught up in another of her spells. Well she's turning me into someone else. Everyday I hope and pray this will end. But when I can I do it all again

[Chorus]

As surely as the blade's course is run. Maybe my kingdom's finally come.
