

Nine Inch Nails, With Teeth

She comes along
She gets inside
She makes you better than anything you've tried
It's in her kiss
The blackest sea
And it runs deeper than you
Dare to dream it could be

[Chorus:]
With teeth [x4]

Wave goodbye
To what you were
The rules have changed
The lines begin to blur
She makes you hard
It comes on strong
You finally found
The place where you belong

[Chorus]

I cannot go through this again [x8]

[Chorus]

She will not let you go
Keeps holding on
She will not let you go
Keeps holding on
This time, I'm not coming back
She will not let you go
This time, I'm not coming back
She will not let you go
