

# Nino Ferrer, Looking For You

I&#039;m looking for you  
I&#039;m looking for you  
Don&#039;t know where to go  
Don&#039;t know what to do  
I walk along the streets  
Between a million people that I don&#039;t see  
Maybe they think I am mad.

I feel in love, I am in love with you  
I made this song &#039;cause I love you  
I made this song just for you  
I made this song deep in my heart  
I was thinking of you  
Because time runs so fast  
And it never comes back  
And that&#039;s all I can keep with me  
That sweet love that you gave to me.
