

Nipsey Hussle, Victory Lap (feat. Stacy Barthe)

like the beginning of Mean Streets
like the beginning of Mean Streets
like the beginning of Mean Streets

I'm prolific, so gifted
I'm the type that's gon' go get it
no kidding'
breaking down a Swisher in front of yo buildi'
sitting on the steps feeling no feelings
last ight, it was a cold killin'
you gotta keep the devil in his hole, nigga
but you know how it go, nigga
