

Nirvana, Blandest

You're my favorite
Of my saviours
You're my favorite
Oh no

Yes you're my favorite
Of my favors
You're my razor
Oh no

Hey!
And the situation wasn't quite
As intense as I thought
I need you around
To remind me when not to be calm (Alt: To remind me what not to become)
And the situation wasn't quite
As intense as I thought
I need you around
To remind me when not to be calm
Calm, calm, calm
