

# Nirvana, Blandest

You're my favorite  
Of my saviours  
You're my favorite  
Oh no

Yes you're my favorite  
Of my favors  
You're my razor  
Oh no

Hey!  
And the situation wasn't quite  
As intense as I thought  
I need you around  
To remind me when not to be calm (Alt: To remind me what not to become)  
And the situation wasn't quite  
As intense as I thought  
I need you around  
To remind me when not to be calm  
Calm, calm, calm
