Nirvana, Blandest

You're my favorite Of my saviours You're my favorite Oh no

Yes you're my favorite Of my favors You're my razor Oh no

Hey!
And the situation wasn't quite
As intense as I thought
I need you around
To remind me when not to be calm (Alt: To remind me what not to become)
And the situation wasn't quite
As intense as I thought
I need you around
To remind me when not to be calm
Calm, calm, calm
