

Nirvana, Blew

If you wouldn't mind, I would like it blew
And if you wouldn't mind, I would like it lose
And if you wouldn't care, I would like to leave
An' if you wouldn't mind, I would like to breathe

Is there another reason for your stain?
Could you believe who we knew was stress or strain?
Here is another word that rhymes with shame

You could do anything
You could do anything
You could do anything
You could do anything

You could do anything
