

# Nirvana, Drain You

One baby to another says -  
I'm lucky to have met you  
I don't care what you think  
Unless it is about me  
It is now my duty to completely drain you  
A travel through a tube  
And end up in your infection

Chew your meat for you  
Pass it back and forth  
In a passionate kiss  
From my mouth to yours  
I like you

With eyes so dialated,  
I've become your pupil  
You've taught me everything  
Without a poison apple  
The water is so yellow, I'm a healthy student  
Indebted and so grateful -  
Vacuum out the fluids

Chew your meat for you  
Pass it back and forth  
In a passionate kiss  
From my mouth to yours  
I like you  
You [x5]

A travel through a tube  
And end up in your infection

Chew your meat for you  
Pass it back and forth  
In a passionate kiss  
From my mouth to yours  
Sloppy lips to lips  
You're my vitamins  
I'm like you
