

Nirvana, I hate myself and i want to die

Runny nose and runny yolk
Even if you have a cold still
You can cough on me again
I still haven't had my fulfill

In the someday what's that s sound? (x4)

Broken heart and broken bones
Think of how a castrated horse feels
One more quirky cliched phrase
You're the one I wanna refill

In the someday what's that s sound? (x4)

(spoken quietly)
Most people don't realize
That two large pieces of coral,
Painted brown, and attached to his skull
With common wood screws can make a child look like a deer

In the someday what's that s sound? (x4)

Runny nose and runny yolk
Even if you have a cold still
You can cough on me again
I still haven't had my fulfill

In the someday what's that s sound? (x4)
