

Nirvana, In Bloom

Sell the kids for food
weather changes moods
Spring is here again
reproductive glands

Hey - He's the one
Who likes all our pretty songs
And he likes to sing along
And he likes to shoot his gun
But he knows not what it means
Don't know what it means, when I say:

He's the one
Who likes all our pretty songs
And he likes to sing along
And he likes to shoot his gun
But he knows not what it means
Knows not what it means when I say aahh ...

We can have some more - nature is a whore
Bruises on the fruit - tender age in bloom

Hey - He's the one
Who likes all our pretty songs
And he likes to sing along
And he likes to shoot his gun
But he knows not what it means
Don't know what it means, when I say:

He's the one
Who likes all our pretty songs
And he likes to sing along
And he likes to shoot his gun
But he knows not what it means
Knows not what it means when I say aahh ...

He's the one
Who likes all our pretty songs
And he likes to sing along
And he likes to shoot his gun
But he knows not what it means
Knows not what it mean's when I say:

He's the one
Who likes all our pretty songs
And he likes to sing along
And he likes to shoot his gun
But he knows not what it means

Knows not what it means [x2]
Knows not what it means when I say aahh ...
