Nirvana, Verse Chorus Verse

Neither side is sacred No one wants to win Feeling so sedated Think I'll just give in

Taking medication Till my stomach's full Neither side is sacred Crawling in the hole

The grass is greener over here You're the fog that keeps it clear Re-inventing what we knew Taken time is all but true You're the reason I feel pain Feels so good to feel again

Neither side is sacred No one wants to win Feeling so sedated But I can't give in

Taking medication Till my stomach's full Feelin so sedated When I'm in my home

The grass is greener over here You're the fog that keeps it clear Re-inventing what we knew Taken time is all but true You're the reason I feel pain Feels so good to feel again

Oh
