

Nirvana, White Lace And Strange

That is the way you want it.
You wanted it to be the way you like it.
I'm no lover.
We wanted you to see it the way you wanted.
It's all right.
I could be crazy, but I could be human.
I never wanted to open your eyes.
I could be crazy, but I could be human.
I never wanted to.

I'm no lover.
You wanted to be living up in the air, yeah.
I'm no lover.
But please let go of the human.
That's me.
