

# NITA STRAUSS, Winner Takes All (feat ALICE C

I got no ball  
I got no chain  
Nothing can hold me down  
I got hard knocks  
(I'm the) King of Shock  
It's written on my crown

Never crawl  
I'll pass you all  
Calling all the shots  
Never crawl  
I'll pass you all  
I'm something you can't stop

Blood -Guts  
Your back's against the wall  
The winner takes all  
Blood -Guts  
Your back's against the wall  
The winner takes all  
Hey hey hey  
Victory hates company  
I'm on fire  
I watch you fall  
The winner takes all

They're gonna see  
I'm the one  
Ain't no giving up  
Enemies here I come  
Watch me turn it up

Never crawl  
I'll pass you all  
Calling all the shots  
Never crawl  
I'll pass you all  
I'm something you can't stop

Blood Guts  
Your back's against the wall  
The winner takes all  
Blood -Guts  
Your back's against the wall  
The winner takes all  
Hey hey hey  
Victory  
My Legacy  
I'm on fire  
I watch you fall  
I'm on fire  
I watch you fall  
The winner takes all
