

Nivea, Complicated

Sat up in the dark for so long
Just living my life on my own
Then right up outta the blue
Bumped into you,
I was so amused by yo smile boo
Wantin you to call my phone
So me and you can talk just a lil mo'
I didn't know what to do
I was feelin you
Hopin you be cool by hangin out too

I dont know what happened
Got people steady askin
How you go to sleep mad one day
the next wake up so happy
Love works like magic
And a so true my mind came graspin
I'm just glad that i got u in my life

(Chorus 2x)
I think about us (All day)
dream about ya (Always)
Love ain't always (com-pli-cat-ed)

If i'm lovin it don't take long
People speculatin that it won't last long
But that just can't be true
Cuz I be lovin you
like you never knew that i could do
Never let go, gotta hold on
Cuz u don made me n you a happy home
And i'll give all me to you
I'll do whatever you ask me to
Cuz boy you're my

Biggest blessing
They can keep on askin
How i go to sleep mad one day
the next wake up so happy
well love works like magic
And ITS SO TRUE my mind came graspin
I'm so glad that you made me your wife (I)

(Chorus 2x)
I think about us (All day)
I dream about ya (Always)
Love ain't always (com-pli-cat-ed)

Boy you make me feel so beautiful
And i ain't never gonna let you go
People say this aint how its supposed to go
But i refuse to believe cuz it happened to me
one day you're standing in the middle of the world
And you don't where you goin
All of a sudden your whole life change
Then life fin-ally gives you somethin back
It's been a mean world without ya
Boy I love ya I Love ya

(Guitar Break)
