

Nivea, Just In Case

(Verse 1)

I know this music is loud but I'm gone say this I hope that u can hear threw
all this craziness
see I don't mean ta be all up in yo ear boy but I gotta make sure u
hear me clear boy
(c'mon) don't be worried I'm gone run this down real quick cuz I know u
leavin in a lil bit
and she would neva undastand y I'm bumpin' u and y ya lettin me sweatin me and she don't know
u feelin me....

(Bridge)

(I don't) usually (sweat every) guy I meet
but I may not evuh get this chance again
(so I'm) lettin u (know that) I want to holla if not tonite lata on will be
alright

(Chorus)

Just in case yo gurl decide to play take this phone numba babe hit me bak if u
wanna get down like that
she can't do what I can do 4 u so if u feel me babe hit me bak if u wanna get
down like that

(Verse 2)

Somethins tellin me that u don't really wanna be in this club with her
and you'd rather be alone with me
still I don't wanna start confusion but I had to speak the way she
actin more I know it made u wanna leave
I understand if u don't evuh use this (numba) but boy I reccomend u neva lose
this (numba)
and if u evuh feel the need ta get away from her just hit me I'm
Nivea I'm leavinnow its all on u

(Chorus 3x)

whoa just in case oooooo yeah what mmm ooooo JUST IN CASE!!

(Chorus till fade)
