

Nkotb, Don't Give Up On Me

Baby don't you give up on me
You got to know you're my insperation
Baby don't you give up on me
Don't you know you're my only sensation?

And baby, when you hold me like this
It feels so nice
Girl, you're all that I need
You're all I want
Don't give up on me, baby
Please just be strong

It took a whole lotta lovin'
Kissing and a-huggin'
Oh girl, you keep me burning
Hey Girl, is this really for real?

[Chorus]

When you're calling my name
I go insane
And baby when you look in my eyes
I'm in paradise
Girl, you're all that I need
You're all I want
Don't give up on me, baby
Please just be strong

It took a whole lotta lovin'
Kissin' and a-huggin'
Oh you keep me burning
Hey girl, this is really for real!

[Chorus repeat 2x]

HOLD ON!!
DON'T GIVE UP!!
[repeat 2x]

Baby, whenever you're near me this way
And darlin' I can't find the words just to say

[Chorus]

Don't give up!
Baby, Baby, don't give up on me girl
Don't give up on me baby
Baby, don't you give up on me
I've got to, I've got to, I've got to have your lovin' baby!
Don't give up baby. Oh Oh Oh.

DON'T GIVE UP!!!

[repeat chorus to fade out]
