

NLE Choppa, 50 Habits

She so flirty
Oh baby you dirty
10 racks
To my mans
Then I do my dance
10 racks to my mans
Gucci on my friends
Oh she so flirty
Oh baby you dirty

I'm not very average to you
Savage to you
Show my talents
To you

Yea you did
Me wrong
But I still wish you well
You got fifty habits
Don't think that I can't tell
You got thotty habits
I can really tell
Why you
You take my heart
And left me on the trail

But you not just any hoe
You still miss me doe
You still get me doe
Now I'm getting money
Yea I'm making dough
My life moving fast
Your life moving slow

She so flirty
Oh baby you dirty
10 racks
To my mans
Then I do my dance
10 racks to my mans
Gucci on my friends
Oh she so flirty
Oh baby you dirty
