

# NLE Choppa, ENVY

Mm (CashMoneyAP)

Yeah, ayy, ayy

Bop, bop, bop, bop, bop, brtt

Gotta watch up, I look both ways 'fore I cross the street, ayy (Brtt, bop, bop, bop, brtt)  
Ayy

Gotta watch these niggas I fuck with

Your friend might be the enemy (Be the enemy)

Every day nigga lose they life 'cause a four letter word that's called envy (Envy)

He fake, we cut the heads off snakes (Off snakes)

Ayy, Ali boombayah, ayy, spray, ayy

Tell your homie come pick his face up

Draco beat his face up just like makeup, yeah

I ain't never took no pay cuts

What a life cost? I'ma make him pay up, yeah

God told me, "Shorten your days up"

In the cut with a fully loaded banger

Everywhere I go, twist my fingers

Like I can't understand a thing, yeah

Reach if you want to, you ain't gon' take shit

Soon as you reach, I'ma frame your pic'

Hatin'-ass ho, bitch, get off my dick

Said what I said and I said what I meant

Overseas, I'm with Central Cee in a BNB with a hundred somethin' hoes

I took the Wock' to Poland, I'm the UK with them bowls

I got the key, the key, the key

This not for the door, it got up her nose

I gotta feed the, feed the streets

Remember them days I was down below

Fast on my feet, but I walked him down

Can't get up, now he down for the count

Bitch, we dodgin' RICOs, so let me watch my mouth

Gotta watch these niggas I fuck with (Fuck with)

Your friend might be the enemy (Be the enemy)

Every day nigga lose they life 'cause a four letter word that's called envy (That's called envy)

He fake, we cut the heads off snakes (Off snakes)

Ayy, Ali boombayah, ayy, spray, ayy

They can lead horses to the water

Can't teach moles, that's how they was brought up

Know what he's thinking before the thought comes (What?)

Try schemin' like a Lambs of the Slaughter

Success just gave me the sore one

Kids from the same place, yeah, that's torture (Fuck that)

NLE's strapped up, can't get your jaw touched (Boom)

Spinning the T, MV while I bore one

In the DM, they hate on the geezer (Ah?)

But I see 'em and they want a feature (Hah)

I bucked Mace, he was tryin' to flee but (What?)

Had their eye on my plate when the meat come

That's a snake if I ever did seen one

Only day ones that I want to see now

And the money so mind corrupting

Still got my eye out for anything suspect

Gotta watch these niggas I fuck with (Fuck with)

Your friend might be the enemy (Be the enemy)

Every day nigga lose they life 'cause a four letter word that's called envy (That's called envy)

He fake, we cut the heads off snakes (Off snakes)

Ayy, Ali boombayah, ayy, spray, ayy

Your friend might be the enemy

'Cause a four letter word that's called envy  
We cut the heads off snakes
