

NLE Choppa, Hoopla

Ayy, ayy, ayy
(Kyle, you made that?)

I know basketball is my favorite sport
That's of course, low cut Kobe sneaks
When I hit the floor, what you hit it for?
Best on the court, just look at the score
Indoor, outdoors, I'm scorin', I'm scorin'
Dunk on defenders, I'm soarin', I'm soarin'
We can be hoopin' at four in the mornin'
I just need you right on my side supportin'

They playin' basketball (Uh, all around the world)
We love that basketball (Uh, to the beat, y'all)
They're playin' basketball (Uh, all around the world)
We love that basketball

Ayy, I know this one chick, her name is Alicia
I thought it was Keisha, but hey nice to meet ya
Say you lookin' at me from the bleachers
But are you a keeper or are you a leaver?
Can I retrieve you? Never deceive you, ayy
Can I believe you? Wanna know how I perceive you, ayy, ayy
Really, I wanna conceive you
Take you out to eat and feed you, treat you, need you
If I shoot my shot, will I hit or miss?
Let me know or not, swear I won't be pissed
Never throwin' fits, dreamin' of the kiss
Put it on me once and make me reminisce
If I'm out your league, please let me know (Let me know)
Chasin' so long fatigue start the show
If I get close, never let you go
Time for you to grow, I seen you at your lowest

I know basketball is my favorite sport
That's of course, low cut Kobe sneaks
When I hit the floor, what you hit it for?
Best on the court, just look at the score
Indoor, outdoors, I'm scorin', I'm scorin'
Dunk on defenders, I'm soarin', I'm soarin'
We can be hoopin' at four in the mornin'
I just need you right on my side supportin'

They playin' basketball (Uh, all around the world)
We love that basketball (Uh, to the beat, y'all)
They're playin' basketball (Uh, all around the world)
We love that basketball

Ayy, ayy, ayy, love don't cost a thing
Don't cost anything but heartbreaks
Hurt worse than bee stings in the spring
If I give you a ring, will you treat me like a king?
'Cause I feel you a queen, know what I mean?
Need a girl like you up on my team
'Cause you're not a regular thing, yeah
Cutest thing, I done seen an assault
Pull a string on you like a guitar
Put some bling on you, make you a star
Play your part, but your role is hard
Sunny days come with some rain
Happy moments might turn to pain
That's a dirty game, but what you gain?
Say my name in vain, when you lose insane

I know basketball is my favorite sport
That's of course, low cut Kobe sneaks
When I hit the floor, what you hit it for?
Best on the court, just look at the score
Indoor, outdoors, I'm scorin', I'm scorin'
Dunk on defenders, I'm soarin', I'm soarin'
We can be hoopin' at four in the mornin'
I just need you right on my side supportin' (They playin')

She made me feel important, yeah, yeah
Like a new pairs of Jordans, yeah, yeah
I love your aura, your orbit, no, no
So bad need a warrant, oh, yeah
