

NLE Choppa, I.Y.B.

(Cook that shit up, Quay)

Yeah, yeah

Yeah, yeah

NLE

Yeah, yeah

What I say?

Ayy, yeah, yeah, yeah, yeah

Knuck if you buck, buck

Glizzy got some big nuts

I'ma get a nigga touched

I had to kill such and such

Knuck if you dumb, bitch

Glizzy got a whole dick

If a nigga move wrong

He gon' get his ass hit

Push his wig back like a nigga receding

Shoot him in the stomach, them bullets he eatin'

Pop him in his top, then his brain start leakin'

Better shut the fuck up when a nigga start speakin'

Knock a nigga weight off like I'm doing lipo

Yeah, I'm a psycho, strapped like a dyke ho

Put insurance on yourself, nigga, you a Geico

I ain't never wrote a statement, nigga, you a typo

Gave the opps a pass, so them niggas really lucky

I see these niggas lookin' at me, bet you ain't gon' touch me

Pretty Ricky glizzy, but this shit can get ugly

Shoot a nigga in his face, if he start muggin'

Hop in the steamer, this bitch is a Beamer

Back in the kitchen like I was Anitta

Say she want kids, so I'm gonna feed her

Her nigga got wrong, so I had to beat him

Don't get wrong, bitch, I love redrum

Got a whole lot of bread, I ain't talkin' 'bout crumbs

Got a whole lotta shots, come get you some

If a nigga that dumb, I'ma blow like a bomb

Knuck if you buck, buck

Glizzy got some big nuts

I'ma get a nigga touched

I had to kill such and such

Knuck if you dumb, bitch

Glizzy got a whole dick

If a nigga move wrong

He gon' get his ass hit
