

# NLE Choppa, Twin Flame

(Pipe that shit up, TnT)  
(Dmac on the fuckin' track)  
Twin flame, on a new thing  
New thing, that's my boo thang  
(EVRGRN with the heat)  
Twin flame, you my boo thang  
My new thing, big Range, new ring  
Woah, woah  
Ayy-ayy, ayy-ayy, woah  
NLE the Top Shotta, I got the bombs like Al-Qaeda, ayy

You gotta learn to love yourself before you love someone else  
Ayy, put your feelings on the shelf, so much pain you done dealt  
Ain't no peace livin' there, look in your eyes when I stare (Your eyes when I stare)  
Know your soul feelin' dead, but baby I'm just tryna help  
Right intentions in the beginning, but shit just go left (Shit just go left)  
Steady sayin' that you would keep her, so tell you me why you ain't kept?  
(Tell you me why you ain't kept?)  
Told her walk out my life with a pep in her step (Pimp in her step)  
Tellin' me that you real, this your replica self (This your replica self)  
Ayy, can you see now, oh? (Can you see it now?)  
Baby you my twin flame, you not no ho (No, you not no ho)  
Spiritual journey with potholes in the road (Potholes in the road)  
We both woke, give me your throat while I cum, oh-oh, oh-oh  
Ask if I'm fine, but they all know you're not  
I'm high off love, I might overdose solo  
She up and down like a rollercoaster-coaster (Woah-woah, woah-woah-woah)

Twin flame, new thing, my boo thing  
She ain't worried 'bout a chain or a new ring (Or a new ring)  
She just worried 'bout the shit that keep a nigga sane (Keep a nigga sane)  
Good pussy man, but can you elevate my brain? (Can you elevate my brain?)

When you leave out the house make sure your skin up  
God made this most valuable stuff, so it can be hard to touch  
Pearl at the bottom of the ocean, you ain't no rock or dust (You ain't no rock or dust)  
You ain't gotta know no rocket science to know you ain't need anyone  
I'd be damned if I see my daughter make a OnlyFans  
You a queen, you don't need no bands to make your ass dance, who agreeing?  
I ain't tryna fend no fan, but y'all are one man  
Not sayin' do romance, but black women y'all more than that  
We gotta find a way to empower back, where the glory at?  
(Hey woah-woah, woah-woah-woah)  
Real women have they nigga back while he go get the sack  
(Hey woah-woah, woah-woah-woah)  
Told my queen if she manifest she can be where Oprah at  
(Hey woah-woah, woah-woah-woah)  
But they want us glorifying sex, ayy, let that shit rest  
Y'all go through the most shit, y'all gotta be special (Y'all gotta be special)  
Everything in the galaxy and our soul on a spiritual level  
Better relationship with God (God)  
The devil want you scoopin' to his level (Woah, woah)  
Tell me do you hear me? Do you feel where I'm gettin' at?  
Suburban or hoodrat, within yourself, where good at?  
Exoteric, exoteric, outside, inside flex  
Love tests cause stress but it's about the progress (Ayy-ayy, ayy-ayy, woah-woah)

Twin flame, new thing, my boo thing  
She ain't worried 'bout a chain or a new ring (Or a new ring)  
She just worried 'bout the shit that keep a nigga sane (Keep a nigga sane)  
Good pussy, man, but can you elevate my brain? (Can you elevate my brain?)  
Twin flame, new thing, my boo thing  
She ain't worried 'bout a chain or a new ring (Or a new ring)  
She just worried 'bout the shit that keep a nigga sane (Keep a nigga sane)

Good pussy, man, but can you elevate my brain? (Can you elevate my brain?)

Let's take a ride

Look at nature, can't stay inside (Woah-woah)

Sunrise

Moments like this can't leave my mind (Woah-woah)

Cherish time

For the nights that light don't shine (Woah-woah)

So genuine

Made her put her pride to the side (Woah-woah)

Relationship goals ain't real

Real life, me and you we're real

Fuck the media, I ain't worried 'bout them people (Woah-woah)

What's more important, me or the shit you post?
