

# NLT, Your song

Hey

[Verse]

Understand, firstly baby girl that I am no longer your man.  
That doesn't mean you and me can't be the closest of friends.  
(And you know)

I even found myself a new girl.

(You know)

Fallin in love with my new girlfriend.

Frankly you know you'll always be in my heart in my heart.

But now

[Pre Chorus]

Things are different,

You're being too good for me.

Don't wanna second guess, baby you gotta be.

You're not the girl I knew now you're like somethin new.

No I don't want to leave but I know what I gotta do.

[Chorus]

This is your song.

Thanks for all the memories.

This is your song,

Thanks for everything we use to be,

This is your song.

Listen to it when I'm gone, (when I'm gone.)

[Verse]

Next thing you need to know is I ain't even tryin to compete.

Cuz I'm your best friend,

You should know that

No one can be what you are to me.

(And I know)

You got some kind of me replacement.

(You know)
