

# No Address, Love at Your Momentum

Katie's just a little girl who  
always, never, talk laugh listen.  
She just wants me to wait here for a while.  
But since I really don't like waiting  
and since I think it doesn't matter:  
Katie you can see me when I'm gone

I don't like this  
I just won't buy it  
And I don't want to try it no more

Maybe on the weekend we can  
go out to the movie theatre  
catch some dinner down there at the scene

But when I go and make some time  
Katie says that I'm not truthful  
And there's always something I don't say

I don't like this  
I just won't buy it  
And I don't want to try it no more

Katie can you see me when I'm gone?  
Katie you can see me when I've

gone away in the park  
without you in the dark

girl when you went to stand  
I just couldn't help but to pull your hand.

Now she walks around the town with  
her fat lip bulging

She shows her crooked teeth  
and her eyes are all wicked

Love at your momentum  
I'm skipping like a stone  
I'm tired of screwin' up  
And I'm tired of screwin' you
