

# No Angels, Couldn't Care Less

I couldn't care less if you don't love me  
I couldn't care less if you don't want me  
But I gotta confess that when you abandoned my heart  
You know you tore it apart

I guess I'm okay now in every way  
I manage somehow since you went away  
To find yourself I hope you do  
'Cause now now we are through

I couldn't care less if you don't love me  
I couldn't care less if you don't want me  
But I gotta confess that when you abandoned my heart  
You know you tore it apart

I've got my strength back  
To go on with my life  
The nights are getting shorter now  
And days are passing by  
And God knows I cried  
But now I know I'm finally over you

I couldn't care less if you don't love me  
I couldn't care less if you don't want me  
But I gotta confess that when you abandoned my heart  
You know you tore it apart

Now the loneliness is gone  
It's time to move on  
'Cause I know that I will make it on my own  
'Cause I can smile again  
It's more than I could then  
It's funny how time can heal a heart

I couldn't care less if you don't love me  
I couldn't care less if you don't want me  
But I gotta confess that when you abandoned my heart  
You know you tore it apart

I couldn't care less if you don't love me  
I couldn't care less if you don't want me  
But I gotta confess that when you abandoned my heart  
You know you tore it apart
