

No Angels, Push Me To The Limit

Push me to the limit oh oh
I can't wait oh oh yeah
Push me to the limit oh
Just push me push me push me
Can't you feel

Time to time I'm just to blind to see
Oh so many things according to my life
Every day I try to find the key
The fire of desire
Life should carry on
Till the end of time

Push me to the limit I can't wait a minute
Please don't ask ask me for devotion
Push me to the limit I can't wait a minute
Can't you feel the power to your emotion

I can't wait I can't wait
Oh I can't wait
I can't wait I can't wait

When I'm walking down the line to see
Every danger that life can bring to me
Changes are stranger but I feel so free
We're dancing through our life
We should carry on
Till the end of time

Push me to the limit I can't wait a minute
Please don't ask ask me for devotion
Push me to the limit I can't wait a minute
Can't you feel the power to your emotion

I can't wait I can't wait
It's power to your emotion
I can't wait I can't wait
Life should carry on
Till the end of time

Push me to the limit I can't wait a minute
Please don't ask ask me for devotion
Push me to the limit I can't wait a minute
Can't you feel the power to your emotion

Push me to the limit I can't wait a minute
Please don't ask ask me for devotion
Push me to the limit I can't wait a minute
Can't you feel the power to your emotion
