

No Assembly Required, Sucker Punch

life's a bitch and so am i
and why is this?
wanna fuckin make you cry
and now you're pissed?
i want to take this out on you
i fucked the rest
and i'll fuck you too

ripping all my skin
i cant bleed no more
help me feel weak
i bring only hate

i get stronger as i hate
and i hate all of you
how can you be so heartless?

ripping all my skin
i cant bleed no more
