

No Authority, Can I Get Your Number

can i get your number baby?
hit me with the 7 digits!
can i get your number baby?
hit me with the 7 digits!
when you walked through that door
i nearly lost my mind
your sexy attitude and somethin' 'bout your smile
i knew right then and there i hadn't know your name
i had a crush before but this just ain't the same
cause i never fallen in love before
with a girl i didn't even know
and theres somethin about you
thats tells me i should be down
i've been east i've been west
even all around the world
but i've never see a girl like you
i've seen blondes and brunettes and some really hot redheads
but i never seen a girl like you
can i get your number baby
hit me with the 7 digits
must be a supermodel your a perfect 10
your body's off the hook and girl i must confess
if you were all this way i'll wait till we get time
please check my vision cause i can't believe my eyes
cause i never fallen in love before
with a girl i didn't even know
and theres somethin about you
thats tells me i should be down
i've been east i've been west
even all around the world
but i've never seen a girl like you
i've seen blondes and brunettes and some really hott redheads
but i never seen a girl like you
can i get your number baby
hit me with the 7 digits
