

No Authority, Girlfriend

I want you to be my girlfriend
I want you to be my girlfriend

[Chorus:]

I want to show you how I feel
Won't you be my girlfriend
I want to tell you how much you mean
Won't you be my girlfriend

I see you walking in the high school halls
In the classroom two seats across
Away from me, baby can't you see
You're the kind of girl that the guys fall for
The kind of girl that you can't ignore
But I'm the one who really wants you girl

[Chorus]

Her smile is brighter than the sun in June
We'll get together like a bride & groom
Girl, I need you as my baby
Our love will grow like a flower in bloom
We'll be as one like a song in tune
Girl, you should be the only one for me

[Chorus]

You should be my only girlfriend

[Chorus]
